

Behavioral Health Services

Millhill's Behavioral Health services offer care for Medicaid-eligible clients between the ages of 4 to 65. Services offer a compassionate and trauma informed approach to therapy that can help you live the life you desire. Whether you're struggling with anxiety, depression, trauma, or behavioral issues, our team is here to support you and your individualized goals.

Services Offered:

- Individual, couples, and family counseling
- Psychiatric evaluations
- Medication monitoring
- Case management

Treatment goals focus on:

- Improve client's everyday functioning
- increase acquisition of life skills to promote a healthy lifestyle
- Reduce mental health symptoms

Our Vision: At Millhill, we envision a thriving community where everyone has access to limitless possibilities.

Our Mission: Millhill Empowers children, youth and families through individualized and culturally sensitive education and behavioral health services.

Millhill Child & Family Development was established in 1971 and has been committed to serving Trenton's children, youth, and families in an effort to improve their quality of life through programs that educate, empower, and transform.
