

Family Support Services

With a safe and stable environment, our services can help those we serve overcome challenges and build healthy relationships with family members. Millhill Child & Family Development offers the following programs in support of your family:

- **Therapeutic Intervention Parenting Program (TIPP)** parenting and life-skills sharing experience that covers topics such as child development, positive parenting techniques, proper nutrition and budgeting.
- **Therapeutic Intervention (TI)** focuses on fostering age-appropriate play and social skills while developing self-control, frustration tolerance and resilience. This includes Facilitated visitations.
- **Out-of-Home Placement Support (OHPS).** This program includes a range of activities, exciting field trips, nutritious meals, and more. Vital support is provided to foster parents and children.

Our Vision: At Millhill, we envision a thriving community where everyone has access to limitless possibilities.

Our Mission: Millhill Empowers children, youth and families through individualized and culturally sensitive education and behavioral health services.

Millhill Child & Family Development was established in 1971 and has been committed to serving Trenton's children, youth, and families in an effort to improve their quality of life through programs that educate, empower, and transform.

Referral Process: To be eligible for our Family Support Services program; children must reside in Mercer County and be referred to by the NJ Department of Children and Families. Age restrictions may apply.
