

Youth Engagement Programs

Millhill's Youth Engagement Programs are dedicated to harnessing the boundless energies and creativity of young minds, ensuring that higher education and economic prosperity through lifeskill development and workforce readiness is not just a dream but a tangible reality for all our youth.

- **STEM Explorers Program:** Offers hands-on learning opportunities in science, technology, engineering, and math (STEM) for students entering 7th to 9th grade in the fall.
- **Trenton PEERS (Performing, Educating and Engaging about Responsible Strategies):** A year-round leadership program for Trenton high school students preparing them to become PEER educators, graduate high school on time and advance to post-secondary education.

Our Vision: At Millhill, we envision a thriving community where everyone has access to limitless possibilities.

Our Mission: Millhill Empowers children, youth and families through individualized and culturally sensitive education and behavioral health services.

Millhill Child & Family Development was established in 1971 and has been committed to serving Trenton's children, youth, and families in an effort to improve their quality of life through programs that educate, empower, and transform.

Recruitment Process: To be eligible for our Youth Engagement Programs; participants must reside in Mercer County and complete a program application on our website.
