

# Millhill ANNUAL DONATION DRIVES

100% of the students who attend Millhill's Summer Literacy Camp either improve or maintain their reading levels—help us to keep going strong by donating books and supplies!

Every day items are often overlooked for under-resourced families. Help keep Millhill families stocked with the basics, which will be distributed at our Health Fair.

Backpacks, crayons, paper and more. Our Back to School donation drive prepares every Millhill student for the school year ahead.

Coats can be donated for general distribution or donors can be matched with a specific child or family. Give the gift of warmth this winter!

Stickers, pencils, erasers, candy, and other treats to create Halloween goodie bags the children receive while trick-or-treating in our Halloween Parade.

What's Thanksgiving without a meal filled with our favorite side dishes? Help our families feel festive with the essentials of any Turkey Day dinner.

Help us give all of the Millhill children and families a festive holiday season. Donate a single gift or be paired with an entire family!
