

May 15, 2020

Dear Parents, Guardians, and Families,

The health and wellbeing of the children, youth, and families we serve is our number one priority as we adapt to the social safety measures that the New Jersey State Government is taking to reduce the spread of the coronavirus. Per the guidance of the school district, Millhill Child & Family Development's early education programs, including the preschool and Wrap Program, have been closed starting March 12<sup>th</sup>, 2020. These programs will remain closed through the end of the 2020 school year and until further notice. In the meantime, we are still here to support you!

Throughout the time that Millhill's facilities are closed, our teachers and family support staff will be posting lessons, activities, and fun messages for your children and families on our social media pages. You can like Millhill Child and Family Development on Facebook and follow @millhillchildandfamily on Instagram to keep making Millhill a part of your day! We will also share important resources on our website at [millhillcenter.org/education/](http://millhillcenter.org/education/) and will update as needed.

Thank you all for your patience and adaptability through this shared difficult time. Please stay safe, healthy, and well.

Sincerely,

A handwritten signature in black ink that reads "Cynthia H. Oberkofler".

Cynthia H. Oberkofler  
Executive Director
